

# Make Up Your Mind

Orgy

Make up your mind

You couldn't make me  
Anymore crazy  
Than I could stand to be

So won't you just sympathize with me  
And all the things I do to make you angry with me  
What's wrong with me today  
You say, I leave you all alone  
Every time you call me  
As if you needed reason to fall down  
I know this must be hard for you to understand  
And all this waiting takes too long for me  
Make up your mind

You don't even know, what's good for you  
You better keep your eyes on me  
Maybe you're oblivious inside  
And it's scary that you don't know  
Your chances fade away  
Fade away sometimes  
Maybe you're oblivious inside

No you can't deny me  
And I don't want to see you go away

You get angry when I ask what's on your mind  
I should have been asking you what's been up your sleeve this whole time  
'Cause now I know you're dangerous  
And I know you're dangerous, but somehow you're contagious  
Make up your mind

You don't even know, what's good for you  
You better keep your eyes on me  
Maybe you're oblivious inside  
But it's scary that you don't know  
Your chances fade away  
Fade away sometimes  
Maybe you're oblivious inside

You don't even know, what's good for you  
You better keep your eyes on me  
Maybe you're oblivious inside  
But it's scary that you don't know  
Your chances fade away  
Fade away sometimes  
Maybe you're oblivious inside

No you can't deny me  
No you can't deny me  
'Cause I don't want to see you go away

You don't even know, what's good for you  
You better keep your eyes on me  
Maybe you're oblivious inside  
But it's scary that you don't know

But it's scary that you don't know  
Your chances fade away  
Fade away sometimes  
Maybe you're oblivious inside
