Ornaments of Gold

Orphaned Land

Deliver the love out from your body Grieving nights to you, I'm hard as stone Bodies sweat in the heat of the moon After you're gone I'll be all alone

Drinking the fluid of love Eternally my beloved ones sweat purple wine

Especially when I need a woman like you To help me to pass the night through And reaching foreign shores
Then you're closing the doors

The research for pleasure brought me to this Now you're gone I'm as cold as ice

If ye love God then follow me"
God will forgive to him your plea"

Lord I die, God hear my cry You left me all alone To myself I now mourn The light of the dark is the morning of the dawn
