

## Ghost of You

Otherwise

And now it seems unfair  
And the memory passes over me  
And everywhere where I go  
You're the only face I see  
You're the only face I see!  
And I don't want to love you anymore

The ghost of you is killing me inside  
I don't feel the same when I think about you  
I know things have changed

No matter how I try  
There's no escaping thoughts of you (there's no escaping)  
Living with regret is the only thing that I can do  
It's the only thing that I can do!  
And how I hope this wound would heal with time

The ghost of you is killing me inside  
I don't feel the same when I think about you  
I know things have changed  
I don't feel ashamed of the things that I do  
I know you have changed

Leave me a change for you!  
I'm tired of hating myself  
I'm tired of feeling this way  
I'm tired of bleeding myself  
I'm tired of seeing your face!

The ghost of you is killing me inside  
Why you only shame  
I don't feel ashamed of the things that I do  
Why you only exchange

Everything has changed
