

Lifted

Otherwise

I don't need no check up to know what's up
'Cause I'm living it up
I'm living it up with a cup full of God knows what
Got lines to cut
And it feeds my soul
I need this more than you know
It's burning up in here, so
Let's make some angels in the snow

It feels like death in here
There's nothing left to fear, oh no
It's my blessing, it's my curse
I might just leave in a hearse

(I) I can't believe
I'm still standing here alive
'Cause I'm so twisted
Goddamn, I'm lifted
(I) seek sanctuary
From your ordinary life
I said goddamn, I
I'm lifted

I'm not stopping
I'ma keep going, keep dropping and rolling
I'm on some next level shit but ya wouldn't even know it
Mix me up another batch, lock it and load it
Smells like poison in here, line 'em up, have no fear, oh no
It's my blessing, it's my curse, let it hurt

Don't get no better than this
This is perpetual bliss
Don't waste your time tryna tell me
That I'm not a fucking golden god

(I) I can't believe
I'm still standing here alive
'Cause I'm so twisted
Goddamn, I'm lifted
(I) seek sanctuary
From your ordinary life
I said goddamn, I
I'm lifted

How can you judge me?
You can't even touch me!
You can't even touch me!

(I) I can't believe
I'm still standing here alive
'Cause I'm so twisted
Goddamn, I'm lifted
(I) seek sanctuary
From your ordinary life
(I) I can't feel my face
I can't stand up straight
So twisted, I

I don't feel no pain
Goddamn, I'm lifted
(I) seek sanctuary
From your ordinary life
I said goddamn, I
I'm lifted
