

So when they cant stop, wont stop/  
who keep the tank topped?/  
who reaps the good sleep, keeps the receipts?/  
I seem em sucking up the last drops/  
drop the H2 stretch H3/  
where the party at democrat?/  
sittin on a muggy summer bench/ sippin muddy water/  
peepin newsweek/ see whats up with sergeant slaughter/  
hotter days on the way/ turn your A.C. Slater up/  
Burn/ aloe vera green/ apple now and later/  
yup/ pass that (sweet)/  
Mike Mictlan/ where the mask at?/  
hand over what?/  
hand over yours run that/  
man over bored with the same crap down/  
dehumanize communities like Black Hawk Down/  
they realize immunities and rape them towns/  
so we speak our minds so fluently with raw/ rap sounds/  
alright tykes/ a Klondike bars on the line/  
we need a blind eye turned/ keep em simple/ refined/  
oh the black gold/ Texas tea (hah)/ youre kiddin/  
there aint been good oil in Texas for a minute/  
thats why we knocked over our own thrones/  
then watch it combust/ end up in free speech zones/ that shock and aw  
e was on us/  
watch me ex-pat Brazillian/ if 85% of Guantanamo is civilian/  
blood pumps vermillion/ beats dump all over a chump populous/  
keeping they focus on Paris Hilton (ick)/  
Prada dead guilty as any internet thread/ big check/  
probably got a lot of bad head/  
all night vision/ all night missions/ all right/  
Christ risen?/ tight/ nope/ call the prisons/  
yikes/ the middle pickin the simple drivin/  
the riddles a head ripper/ splitter/  
suburbanites will get the kibble/ (listen)/ t  
he double speech is legit/  
they on some/ stand up for yourself you worthless piece of shit/  
bet it all lose it all forget it/  
and saying fuck Bush gave that douche a splash/ too much credit/  
but smoking on Kush makes cats/ so apathetic/  
cant beat em with a bat/ so we join em and spit the ethics/  
(or)/ we beat em with a bat (yeah)/  
POS steadily wreck it for anybody who raps/ or naps on facts/  
fill the in line six to End Hits/  
the oval office and the lobby/ prolly listen to Fugazi singin/  
this ones ours lets take another/ x2  
Then they dance away clean like/ Savion Glover
