## Pain Of Salvation

"yes  
I am in love  
I wanted to  
find out  
right?  
...but...  
in love  
with whom  
or with what?

to love to a city  
to the flesh  
to the past  
to the laugh  
uncontrolled  
to myself again  
and suddenly I know  
that this is dangerous"
