

Sisters

Pain Of Salvation

B **C** **Dmi** **F**
When all are dizzy and happy from too much wine
B **C** **F**
I leave the party behind
B C **D** **F**
To be alone with my thoughts and this spinning mind
B **C**
Through this cold night
A
But there she stands

D **C**
And she walks like you
D **C**
And she smiles almost like you
B **C** **D**
A child of the wild just like you
Yes.

B **C** **Dmi** **F**
For a second I think I get a glimpse
B **C** **Dmi**
Of the real her, behind
B **C**
She's warm and fragile
Dmi **F**
With smiles that reach to her eyes
B **C**
But just this moment
A
A change so sublime
A change so sublime

Dmi **C**
If she looked me deep into my eyes
B
And softly asked me too
C **Dmi** **C**
I'd be in her bed and in her flesh
B
And waste a life I knew

Dmi **C**
So I hold my breath and close my eyes
B
And focus on the wine
B C **Dmi** **C**
Let this trembling moment pass us by
B **C** **Dmi**
So I could say goodnight
