

## Hurricane

## Panic! at the Disco

Are you worth your weight in gold?  
'Cause you're behind my eyelids when I'm all alone  
Hey stranger, I want ya to catch me like a cold  
You and God both got the guns  
And when you shoot, I think I'd duck

I led the revolution in my bedroom,  
And I set all the zippers free  
We said, "No more war!  
No more clothes! Give me peace!  
Oh, kiss me!"

Hey hey, We are a hurricane  
Drop our anchors in a storm  
Hey, they will never be the same  
A fire in a flask to keep us warm  
'Cause they know, and I know,  
That they don't look like me  
Oh they know, I know  
That they don't sound like me!

You'll dance to anything!  
You'll dance to anything!

Oh I'd confess, I'd confess in a room where I'm blessed  
But he didn't come and speak to me,  
Or put my heart at ease  
And I believe that, half the time,  
I am a wolf among the sheep  
Gnawing at the wool over my eyes

I led the revolution in my bedroom,  
And I set all the zippers free  
We said, "No more war!  
No more clothes! Give me peace!  
Oh, kiss me!"

Hey hey, We are a hurricane  
Drop our anchors in a storm  
Hey, they will never be the same  
A fire in a flask to keep us warm  
'Cause they know, and I know,  
That they don't look like me  
Oh they know, I know  
That they don't sound like me

You'll dance to anything!  
You'll dance to anything!  
You'll dance to anything!  
You'll dance to anything!

Fix me, or conflict me  
I'll take anything  
Fix me, or just conflict me  
'Cause I'll take anything...

Hey hey, We are a hurricane

Drop our anchors in a storm  
Hey, they will never be the same  
A fire in a flask to keep us warm  
'Cause they know, (they know)  
and I know, (I know)  
That they don't look like me  
Oh they know, (they know)  
I know (I know)  
That they don't sound like me

You'll dance to anything!  
You'll dance to anything!
