Scars

Papa Roach

```
C#                As
I tear my heart open, I sew myself shut
Esmi            F#
My weakness is that I care too much
C#                    As
My scars remind me that the past is real
Esmi                 F#
I tear my heart open just to feel

Bmi                           Fmi
Drunk and I'm feeling down
                            F#
And I just wanna be alone
                          As
I'm pissed cause you came around
                     Bmi
Why don't you just go home
                        Fmi
Cause you channel all your pain
                      F#
And I can't help you fix yourself
            As
You're making me insane
                  C#
All I can say is
```

R: I tear my heart open, I sew myself shut
   My weakness is that I care too much
   And our scars remind us that the past is real
   I tear my heart open just to feel

I tried to help you once
Against my own advice
I saw you going down
But you never realized
That you're drowning in the water
So I offered you my hand
Compassions in my nature
Tonight is our last stand

R:

I'm drunk and I'm feeling down
And I just wanna be alone
You shouldn't ever came around
Why don't you just go home?
Cause you're drowning in the water
And I tried to grab your hand
And I left my heart open
But you didn't understand
But you didn't understand
Go fix yourself

I can't help you fix yourself
But at least I can say I tried
I'm sorry but I gotta move on with my own life
I can't help you fix yourself

But at least I can say I tried
I'm sorry but I gotta move on with my own life

R: 2x

But at least I can say I tried
I'm sorry but I gotta move on with my own life
