1. We still live in

Abm

the same town well, dont we?

C#m H

but I dont see you around anymore

E

I go to all the same places

F#m C#m

not even a trace of you

H

your days are numbered at 24

A

H

X1: And Im getting bored of

C#m

waiting around for you

Abm A

were not getting any of you and I

H C#m

won't look back coz theres no use

B/Es

its time to move forward

E A E H

R1: I feel no sympathy

E A C#m H

you live inside a cave

E A

you barely get by

E

while the rest of

H

us are trying

E A

there's no need to apologize

C#m

I've got no time for

H

feeling sorry

2. Well I try not to think

of what might happen

when your reality it finally cuts through

well as for me I got

out and I'm on the road

the worst part is that this

this could be you

X2: And you know it too

you can't run from your shame

you're not getting any of and time keeps

passing by but you waited away
H/Es
its time to roll onward

R1: I feel no sympathy...

A **H**
*: And all the best lies
C#m **H/Es**
that are told with
E F#m A
fingers tied
B
so cross them tight
C#m H/Es E F#m A
wont you pro-mise me to--night
if it's the last thing
H
you do you'll get out

R2: I feel no sympathy
you live inside a cave
you barely get by
while the rest of
us are trying
there's no need to apologize
I've got no time
got no time
got no time
