

# We Are Broken

## Paramore

**C9** **Em7**  
1. I am outside  
**G** **C**  
And I've been waiting for the sun  
**Em**  
With my wide eyes  
**G** **C9**  
I've seen worlds that don't belong  
**Em7** **G** **C9**  
My mouth is dry with words I cannot verbalize  
**Em7** **G**  
Tell me why we live like this

**C** **Em** **D**  
Keep me safe inside

**C** **Em** **D**  
Your arms like towers, tower over me, yeah

Em7 G D  
R: Coz we are broken what must we do to restore  
Em7 G C  
Our innocence and oh, the promise we adored  
Em  
Give us life again  
C Em G  
Coz we just want to be whole

2. Lock the doors  
Cause I'd like to capture this voice  
It came to me tonight  
So everyone will have a choice  
And under red lights I'll show myself it wasn't forged  
We're at war, we live like this

Keep me safe inside  
Your arms like towers, tower over me, yeah

R: Coz we are broken...

<b>B</b>	<b>F C D</b>
Tower over me	
<b>B</b>	<b>F C D</b>
Tower over me	

**D**  
And I'll take truth at any cost

R: Coz we are broken...
