Cure Disintegration Homesick

hey hey! just one more and i'll walk away all the everything you win turns to nothing today and i forget when to move when my mouth is this dry and my eyes are bursting hearts in a bloodstained sky oh it was sweet it was wild and oh how we... i trembled stuck in honey honey cling to me so just one more just one more go inspire in me the desire in me to never go home

oh just one more and i'll walk away all the everything you win turns to nothing today so just one more just one more go inspire in me the desire in me to never go home
