

Wake Up Sister

Parov Stelar

Along his way
Ways today or with us you will ride
Along his way
Ways today or with us you will ride
Hell a-riding
Then cowboy change your ways
Hell a-riding
Across these endless skies

Along his way
Ways today or with us you will ride
Along his way
Ways today or with us you will ride
Hell a-riding
Then cowboy change your ways
Hell a-riding
Across these endless skies
