i know a man with nothing in his hands, nothing but a rolling stone he told me about when his house burnt down, he lost everything he owned

he lay asleep for six whole weeks, they were gonna ask his mother to choose when he woke up with nothing he said I'll tell you something when you've got nothing, you've got nothing to lose

now I've got a hole in my pocket, hole in my shirt, a whole lot of trouble, he said but now the money is gone, life carries on and I miss it like a hole in the head

I know a woman with kids around her ankles and a baby on her lap she said one day her husband when to get a paper and the mother fucker never came back

mortgage to pay and four kids to raise, keeping the wolf from the door she said the wolf's just a puppy and the door's double locked so why you gotta worry me for

now he left a in hole in my heart a hole in a promise a hole on the side of my bed oh now that he's gone well life carries on and I miss him like a hole in the head

well sometimes you can't change and you can't choose and sometimes it seems you gain less than you lose now we've got holes in our hearts, yeah we've got holes in our lives well we've got holes, we've got holes but we carry on

well we've got holes in our hearts, yeah we've got holes in our lives well we've got holes, we've got holes but we carry on said we've got holes in our hearts, yeah we've got holes in our lives well we've got holes, we've got holes but we carry on

said we've got holes in our hearts, we've got holes in our lives we've got holes, we've got holes but we carry on said we've got holes in our hearts, we've got holes in our lives we've got holes, we've got holes but we carry on

said we've got holes in our hearts, yeah we've got holes in our lives well we've got holes, we've got holes but we carry on
