

# Cuddle Fuddle

## Passion Pit

I filled the bucket  
I spilled the bucket  
Out on the floor  
A mistake for sure

Consequences  
Turned me hostile  
I got so tied in  
Made me docile

Then you applauded  
When I was loving  
Made me feel weak and  
I start recovering

Now I feel silly  
Selfish and dizzy  
Now I got this feeling  
That you'll forgive me

And you know  
Oh my God, just please don't ever let me go  
Yeah, sometimes we're high and sometimes we're low  
Put up with me then I'll make you see  
That things are better when you're with me

There was the night we  
Kissed in the moonlight  
It was romantic  
But didn't feel so right

'Cause something was lost then  
Today it's replenished  
But it was you who  
Cleaned up my messes

And oh  
Oh my God, just please don't ever let me go  
Yeah, sometimes we're high and sometimes we're low  
Put up with me then I'll make you see  
That things are better when you're with me

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

And oh  
My God, just please don't ever let me go  
Yeah, sometimes we're high and sometimes we're low  
That's just the way that things turn out  
Whenever I'm lonely, I'll shout out

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

Let down your hair  
Let down your hair  
Rapunzel, Rapunzel  
Let down your hair

Oh, but I don't wanna know  
Where you go  
And I don't want to see  
That you're coming along with me

And I don't wanna go  
Wherever you go  
I want the two of us to be  
Just where we know

And I don't want to know  
Everything you know  
And I don't wanna see  
Everything you see

And I don't wanna go  
Oh, wherever you go  
Oh no, oh no  
Oh no, oh no  
Oh no
