

# We Belong

Pat Benatar

Many times I tried to tell you  
Many times I cried alone  
Always I'm surprised how well you cut my feelings to the bone  
Don't want to leave you really  
I've invested too much time to give you up that easy  
To the doubts that complicate your mind

We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together

Maybe it's a sign of weakness when I don't know what to say  
Maybe I just wouldn't know what to do with my strength anyway  
Have we become a habit? Do we distort the facts?  
Now there's no looking forward  
Now there's no turning back  
When you say

We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together

Close your eyes and try to sleep now  
Close your eyes and try to dream  
Clear your mind and do your best to try and wash the palette clean  
We can't begin to know it, how much we really care  
I hear your voice inside me, I see your face everywhere  
Still you say

We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together

We belong to the light, we belong to the thunder  
We belong to the sound of the words we've both fallen under  
Whatever we deny or embrace for worse or for better  
We belong, we belong, we belong together  
We belong to the light, we belong to the thunder
