

## Learnin' My Latin

Patti Page

Omnus Gallia tres partes divista est  
I'm learnin' my Latin, and I'm passin' the test.  
That means that all of Gaul's divided in parts of three,  
I'm learnin my Latin, get a load of me.  
Amavi, I have loved.  
Amavisti, Thou hast loved.  
Amavi, He has loved.  
Amavili, We have loved.  
Amaveri, Thou mayest.  
Amavisti, Thou might'st.  
Is my conjugation up to par?  
The verbs are really quite irregular.  
Vini, vidi, vici as they used to say in Gaul,  
I'm learnin' my Latin, and I'm havin' a ball.
