

# Rain

Patty Griffin

It's hard to listen to a hard hard heart  
Beating close to mine  
Pounding up against the stone and steel  
Walls that I won't climb  
Sometimes a hurt is so deep deep deep  
You think that you're gonna drown  
Sometimes all I can do is weep weep weep  
With all this rain falling down

Strange how hard it rains now  
Rows and rows of big dark clouds  
When I'm holding on underneath this shroud  
Rain

Its hard to know when to give up the fight  
Two things you want will just never be right  
Its never rained like it has to night before  
Now I don't wanna beg you baby  
For something maybe you could never give  
I'm not looking for the rest of your life  
I just want another chance to live

Strange how hard it rains now  
Rows and rows of big dark clouds  
When I'm holding on underneath this shroud  
Rain

Strange how hard it rains now  
Rows and rows of big dark clouds  
When I'm holding on underneath this shroud  
Rain

Strange how hard it rains now  
Rows and rows of big dark clouds  
When I'm still alive underneath this shroud  
Rain Rain Rain
