

## Same Kind of Crazy

Patty Loveless

Did you ever meet somebody that likes all the same things you do

Somebody who can make you or break you anytime they want to  
I met him at a red light, love at first sight, can it be true  
He's good for me and he told me I was good for him, too

Now, I don't want to jump into anything  
I've been trying to use some self restraint  
But man it's amazing he's the same kind of crazy as me

I have to use a ladder 'cause I keep climbing down just to kiss  
him  
If he's out of my sight for a minute or two I start to miss him  
We stay all tangled up in each others arms and it's so nice  
He talks in his sleep, but he always gets my name right

If there's anything at all that's wrong with him  
It's something I just can't see  
Ain't no doubt about it he's the same kind of crazy as me

Wild, wild nights, chasin' each other through the moonlight  
My, my, my, I finally got something just right  
'Cause every little off-  
beat move that he makes suits me to a tee  
You know what I'm sayin', he's the same kind of crazy as me

Oh, wild, wild nights, chasin' each other through the moonlight  
My, my, my, I finally got something just right  
'Cause every little off-  
beat move that he makes suits me to a tee  
You know what I'm sayin', he's the same kind of crazy as me

Know what I'm sayin', he's the same kind of crazy as me  
You know what I'm sayin', he's the same kind of crazy as me
