

Eso Beso (That Kiss!)

Paul Anka

Mmm, eso beso, ooh that kiss
Eso beso, ooh your kiss
It's got something, don't know what
But whatever it's got, you know it's got a lot

When we samba, the bossanova
Close like this, the bossanova
Ay, ay caramba, the bossanova
Who unleashed that kiss ? The bossanova
Hold me closer and we'll soar
For the samba's the quickest way to make amor

As we dip and sway and we caress this way
Samba seems to say, "Love is here to stay"
Like the samba sound, my heart begins to pound
I go off the ground to where I'm poco-loco

Eso beso, the bossanova, ooh that kiss, the bossanova
Eso beso, the bossanova, need that kiss, the bossanova
Kiss me mucho and we'll soar
And we'll dance the dance of love forever more

As we dip and sway, we caress this way
Samba seems to say, "Love is here to stay"
Ah, like a samba sound, my heart begins to pound
I go off the ground to where I'm poco-loco

Eso beso, the bossanova, ooh that kiss, the bossanova
Eso beso, the bossanova, need that kiss, the bossanova
Kiss me mucho and we'll soar
And we'll dance the dance of love forever more

Well, dance, the bossanova
I love that dance, the bossanova
And kiss me mucho, the bossanova
I love that dance, the bossanova

The bossanova, the bossanova
We do that dance, the bossanova
Kiss me mucho, the bossanova
