

# I Will Worship You

Paul Baloche

When I'm losing when I'm broken  
When I'm sinking like a stone  
And it feels like I'm alone  
I will worship You

When I'm so scared life is unfair  
When I'm tired and lose my way  
When I'm feeling so ashamed  
I will worship You

You are the anchor to my soul  
Draw me to You and don't let go  
Only Your love can make me whole  
Jesus I worship You

When I'm dancing when I'm hopeful  
When I'm feeling mercy's hand  
And I'm living life again  
I will worship You

When chains are broken when healing is coming  
When Your forgiveness floods my heart  
This is my brand new start  
I will worship You

Hallelujah hallelujah our God reigns
