You choose the humble and raise them high You choose the weak and make them strong You heal our brokenness inside And give us life

The same love that set the captives free
The same love that opened eyes to see
Is calling us all by name
You are calling us all by name
The same God that spread the heavens wide
The same God that was crucified
Is calling us all by name
You are calling us all by name

You take the faithless one aside And speak the words "You are mine" You call the cynic and the proud Come to me now

The same love that set the captives free
The same love that opened eyes to see
Is calling us all by name
You are calling us all by name
The same God that spread the heavens wide
The same God that was crucified
Is calling us all by name
You are calling us all by name

Oh oh...

You're calling You're calling You're calling us to the cross (4x)

The same love that set the captives free
The same love that opened eyes to see
Is calling us all by name
You are calling us all by name
The same God that spread the heavens wide
The same God that was crucified
Is calling us all by name
You are calling us all by name

You're calling You're calling You're calling us to the cross You're calling You're calling You're calling us to the cross
