

We Humble Ourselves

Paul Baloche

You O Lord are a holy God
Your ways are perfect and just
Slow to anger and abounding in love
You have shown us your Father's heart
But we Your people have turned from You
Resisting Your power and grace
Taking our lives into our hands
We have stumbled and lost our way

So we humble ourselves before You
And confess our unfaithfulness toward You
Forgive our sins remove our shame
Restore the church that bears Your name
That revival may come to this land once again
