

After The Show

Paul Kelly

After the show
Where shall we go?
I want to go downtown
Don't want to go uptown no more
Just want to go downtown

Wasn't it grand?
The music, the band
I know it ain't cheap
But I just can't sleep
Know what I mean

I get this feeling inside
It's a feeling I can't hide
Oh we're gonna have some fun tonight
We're gonna ball and shout
We're gonna have a real good time
After the show
