

# King Of Fools

Paul Kelly

I'm the king, I'm the king of fools  
The king kong king of fools

But a fool always has a song  
He sings it feeling proud  
And before too long there's a crowd  
Now a fool finds himself alone  
With grinning faces all around  
Watch him dance 'til he falls down

I'm the king, I'm the king of fools  
The king kong king of fools

And a fool falls into a trance  
He cannot help himself  
He's a walking, talking someone else  
And a fool buys another round  
To keep out of the rain  
Makes a promise to himself 'Never again'

I'm the king, I'm the king of fools  
The king kong king of fools
