

See You in Paradise

Paul Kelly

Daddy's gone a hunting
He won't be back til light
Bonnie don't you worry
Daddy's gonna be alright

Daddy gets our money
But he can show no proof
Other men ride in elevators
Daddy comes in the roof

I can see him falling
Softly through the air
Into the magic circle
Now children say your prayers

Oh lord grant him vision
Oh lord grant him speed
In his hour of darkness
In this time of need

Oh lord grant him vision
Oh lord grant him speed
In his hour of darkness
In this time of need
[repeat to fade]
