

## Take Your Time

Paul Kelly

This thing needs some working on  
You just can't push it through  
Put a little mind on the matter  
I'm counting on you  
Take your time

Mama gets sore with the child  
Who just wants to eat and then run  
She says 'Baby what's your hurry  
To get this over and done?'  
Take your time  
Take your time  
Take your time  
And show me you love me

There go the bells at midnight  
Ringing all out of tune  
Here comes the moon arising  
Sneaking into our room  
So take your time  
Take your time  
Take your time  
And show me you love me
