

Blue Jean Bop

Paul McCartney

Bluejean baby

With your big blue eyes
Don't want you looking
At other guys
Got to make you give me
One more chance
I can't keep still
So baby let's dance

Well the bluejean bop
Is the bop for me
It's the bop that's done
In the dungaree
You dip your hip
You free your knee
Well wiggle on your baby 1 2 3

Well a bluejean bop
Bluejean bop a baby
Bluejean bop Bluejean bop a baby
Bluejean bop
Baby won't you bop with me
