

Country Dreamer

Paul McCartney

Id like to walk in a field with you,
Take my hat and my boots off too.
Id like to lie in a field with you.
Would you like to do it too, may?
Would you like to do it too?
Id like to stand in a stream with you,
Roll my trousers up and not feel blue.
Id like to wash in a stream with you.
Would you like to do it too?

You and i, country dreamer,
When there's nothing else to do;
Me oh my, conutry dreamer,
Make a country dream come true.

Id like to climb up a hill with you,
Stand on top and admire the view.
Id like to roll down a hill with you.
Would you like to do it too, may?
Would you like to do it too?

Id like to climb up a hill with you,
Take my hat and my boots off too.
Id like to lie in a field with you.
Would you like to do it too, may?
Would you like to do it too?
