

Lonely Road

Paul McCartney

I tried to get over you
I tried to find something new
But all I could ever do
Was fill, my time, with thoughts, of you

I tried to go somewhere old
To search for my pot of gold
But all I could ever hold
Inside, my mind, were thoughts , of you

I hear your music and it's driving me wild
Familiar rhythms in a different style
I hear your music and it's driving me wild
Again ohhh

Don't want to let you take me down
Don't want to get hurt 2nd time around
Don't want to walk that lonely road again yeahh
Ohh love you yeah

I hear your music and it's driving me wild
Familiar rhythms in a different style
I hear your music and its driving me wild again
ohhh

Don't want to let you take me down
Don't want to get hurt second time around
Don't want to walk that lonely road again
Don't want to let you take me down
Don't want to get hurt second time around
Don't want to walk that lonely road again
I don't want to walk that lonely road
Oh no
