

Seize The Day

Paul McCartney

I don't care to be bad
I prefer to think twice
All I know is
It's quite a show
But it's still alright to be nice

Yankee toes and Eskimos
Can turn to frozen ice
When the cold days come
And the old ways fade away
There'll be no more sun
And we'll wish that we had
Held on to the day
Seize the day

I don't mean to be wrong
I don't need to be right
I'm okay on a sunny day
When the world deserves to be bright

Dinosaurs and Santa Claus
Will stay indoors tonight
When the cold days come
And the old ways fade away
There'll be no more sun
And we'll wish that we had
Held on to the day
Seize the day
Seize the day

I bless the day
When you came into my life
And I could finally roll back the blind
You helped me to realise
Love was the greatest prize
I only had to open my mind
Seize the day

Seize the day
Seize the day
Seize the day
Seize the day

I don't care to be bad
I prefer to think twice
All I know is
It's quite a show
But it's still alright to be nice

Yankee toes and Eskimos
Can turn to frozen ice
When the cold days come
And the old ways fade away
There'll be no more sun
And we'll wish that we had
Held on to the day
Seize the day
