

My One and Only Love

Paula Cole

The very thought of you makes my heart sing
Like an april breeze on the wings of spring
And you appear in all your splendour

My one and only love

The shadows fall and spread their mystic charms
In the hush of night while I'm in your arms
I feel your lips so warm and tender
My one and only love

The touch of your hand is like heaven
A heaven that I've never known
The blush on your cheek whenever I speak
Tells me that you are mine

You fill my eager heart with such desire
Every kiss you bring sets my soul on fire
I lose myself in sweet surrender
My one and only love
