

Oh boy!

Pavel Bobek

All my love all my kissing
You don't know what you've been missing
Oh boy
When you're with me, Oh boy
All the world will see
That you were meant for me

All my life I've been waiting
Tonight there will be no hesitating
Oh boy
When you are with me, oh boy
The world will see
That you were meant for me

Stars appear and shadows are falling
You can hear my heart calling
A little bit of love can make everything alright
I'm gonna be with my baby tonight

All my love
