

I Promise I Do

Peabo Bryson

No sleepless nights
Somehow we've survived the storm
And there are no tears to cry
And now a new love is born
Because of you, my life is so much better
(And I pray) And I pray (every day) every day
We'll face it together

Starting here and now
To you, I vow

I promise my love, to have and to hold
The rest of my life, my body and soul
Love is gonna find me, it's gonna stand beside me
For the rest of my days
Forever, I promise I do
Don't you know that I do?

Seasons will change
But I know love will always remain, just as long as there is yo
u and me
And we both be true
For the rest of my life, forever I promise I do

I promise my love (to have and to hold)
The rest of my life, my body and soul
Love is gonna find me, stand right here, right here beside me
For the rest of my life, forever and ever (I promise my love)
I promise my love (to have and to hold)
To have and to hold (for the rest of my life)
For the rest of my life, my body and soul
Love is gonna find me, stand right here, right here beside me
For the rest of my days, forever I promise I do
Don't you know that I do?
Each and every moment, every hour
Forever, ever, and ever (I promise I do)
Don't you know, don't you know that I do?
Forever, and ever, and ever
