

Love Is On The Rise

Peabo Bryson

When the sun refused to shine
There you were, a revelation
Just in time
You gave me hope, determination
Don't change your mind
You and me, we're a winning combination

Love is all we need
Maybe we can turn the world around
If you believe in me
Maybe we can turn it upside down

Love is on the rise
On your side
Don't you know that love is on the rise
On your side
Passion flowin' hot and heavy

Trust in me, don't fake it
Don't say you will when you won't
Oh, tell the truth now
We can make it
Where there's a will, there's a way
We'll find it somehow
Don't change your mind
I, I'm gonna try

Love, that's all we need
Maybe we can turn the world around
If you believe in me
Maybe we can turn it upside down

Love is on the rise
It's on your side
Don't you know that love is on the rise
On your side
Passion flowin' hot and heavy, yeah

Love, so amazing
Take my high then you bring me down
So long, drive me crazy
First you do then you do
That's the way it goes
You win, you lose, I wanna try

Love is all we need
Maybe we can turn the world around
If you believe in me
Maybe we can turn it upside down

Love, that's all we need
Maybe we can turn the world around
I feel like I can fly
Take me higher, higher
Love is on the rise...
