

Meant To Be

Peabo Bryson

Yeah
Do-do-do-do-do-do-do-do-do-do...
Yeah

We've been friends for so long
It's nothing I wouldn't do
If you wanted me to
But when I hear an old love song
It brings back memories
Of how it used to be

Is it right
For me to want to love you tonight, oh, baby
Now tell me if you think I'm wrong
To want to belong, to want to belong

I thought I was losing my mind
I've never been so surprised
Don't know what's come over me
Love has opened my eyes
I've got a feeling inside
You and I were meant to be
This love was meant to be

We've been through some bad times
Time we spent together
In every kind of weather, baby
But we sailed through the sad times
With love and devotion
But you can control emotion, baby

Is it right
For me to want to love you tonight
Share this moment
Tell me, do you think it's wrong
To want to belong, to want to belong

I thought I was losing my mind
Never been so surprised
I don't know what's come over me
Love has opened my eyes
I've got a feeling inside
You and I were meant to be

Well, I swam the deepest ocean
And I sailed the seven seas
(Yeah, yeah)
Searching for a lost emotion
I thought that love was just a dream
My old fantasy
When all the time it was here by my side

Whoa-oh-oh-oh...

Well, I swam the deepest ocean
And I sailed the seven seas
(Yeah, yeah)

Searching for a lost emotion
I thought that love was just a dream

Girl, you and I were meant to be
I'd climb the highest mountain
Yeah, yeah
If you would share your love for me
Oh, sugar, all day, day and night
Baby, you and I were meant to me...
