

# One Time For The Lonely

Peabo Bryson

Our love is ending  
We're leaving our best behind  
I guess we've stopped pretending  
Things aren't gonna work out right

I just wanted you to know  
I'd risk it all if I could find a way  
To make love stay  
Everybody's searching for  
That special lover, someone who cares  
And always be there  
Love's walking out of my life  
Looks like I'm gonna be alone tonight  
So let me sing it

One time for the lonely  
And then once again  
For all the fools like me  
Fools that fall in love

Oh, I still need you  
You're always on my mind  
I've tried so hard to please you  
In the best and the worst of times  
I don't know where we went wrong  
But I'll miss your love when it's gone, gone

This old heart is aching  
I'm trying to stay strong  
But I can't hear the sound edges breaking  
Still I keep holding on

Anyone who'd been in love  
Would risk it all if they could find a way  
To make love stay  
Everybody's searching for  
That special lover, someone to care  
And always be there  
So if love isn't treating you right  
If you're gonna gonna be alone tonight  
So let me sing it

One time for the lonely  
Hey, baby, and then once again  
For all the fools like me  
Fools that fall in love

Mmm, yeah, yeah

You know I need you, baby  
You're my life, yeah  
Don't you know I'll miss you, baby  
Day and night  
Oh-oh-oh, don't, don't leave  
Hey, baby, open up your heart  
Let me back in  
Let me in

One time for the lonely  
And then once again  
For all the fools like me  
Fools that fall in love, oh-whoa...

One time for the lonely  
Whoa-whoa-oh-whoa...  
For all the fools like me  
Fools that fall in love
