

Palm Of Your Hand

Peabo Bryson

Yeah, yeah, yeah, yeah, hee...
Whoa-whoa, yeah, yeah

Well, it had to be sooner or later
Because you want all or nothing at all
Now you want me to give my commitment
You want to nail this love to the wall

Ooh, your love
Is something I cannot resist
I feel the same way too
So, my love
Believe me when I say this

You've got me, baby
Right in the palm of your hand
Anyway you want me, baby
I'd do every way you want me, baby
Yeah, yeah
Right in the palm of your hand
Oh-whoa-whoa...

You say you couldn't stand it
If you saw me with somebody else
And If I have to turn the tables
You know I feel the same way myself

Ooh, your love
Ooh, your love, your love, your love
Is something I cannot resist
Oh, my love
Believe me when I say this

You've got me, baby
Right in the palm of your hand
Anyway you want me, baby
I'd do every way you want me, baby
Right in the palm of your hand

I would not give you up
No, not for anything, baby
(Oh, my love)
One word and I would jump
I'm not too proud to say
Don't wanna say, baby
I love you, I love you, I love you
Baby, don't go
Oh, don't go away, baby, oh, no

And everywhere you want to, baby

You've got me
You've got me
You've got me
In the palm of your hand
You've got me, yeah, yeah
Oh...

Anywhere you want me, baby
Anywhere you need me, baby
I'm in the palm of your hand
Oh-whoa...
Oh...

I said, whenever you want me
Right in the palm of your hand
I said, whenever you need me, baby, yeah
Right in the palm of your hand
Anyway you want me, baby
And every way you want me, boy

Ooh, yeah
Uh-huh
Right in the palm of your hand
Mmm-hmm, so good to me, yeah
Ah, baby
Right in the palm of your hand
The way you make me feel, baby

Yeah, yeah
Right in the palm of your hand
Never want another lover, no, no, no
Never want another love, no
Right in the palm of your hand
I don't want another lover
You've got me, you've got me, baby, got me

Ooh, yeah
Right in the palm of your hand
I said, whenever you need me, baby
I'll be there in a hurry
Right in the palm of your hand
I said, whenever you want me, baby...
