## **Tonight I Celebrate My Love**

## **Peabo Bryson**

Tonight I celebrate my love for you It seems the natural thing to do Tonight no one's gonna find us We'll leave the world behind us When I make love to you

Tonight I celebrate my love for you
And hope that deep inside you'll feel it too
Tonight, our spirits will be climbing
To a sky filled up with diamonds
When I make love to you tonight

Tonight I celebrate my love for you

And that midnight sun is gonna come shining through

Tonight there'll be no distance between us

What I want most to do is to get close to you tonight

Tonight I celebrate my love for you
And soon this old world will seem brand new
Tonight we will both discover
How friends turn into lovers
When I make love to you

Tonight I celebrate my love for you

And the midnight sun is gonna come shining through

Tonight there'll be no distance between us

What I want most to do is to get close to you

Tonight I celebrate my love for you Tonight
