That's All

I can only give you love that lasts forever And a promise to be near each time you call, And the only heart I own For you and you alone, That's all, that's all.

I can only give you country walks in springtime And a hand to hold when leaves begin to fall, And a love whose burning light Will warm the winter night, That's all, that's all.

There are those, I am sure, that have told you They would give you the world for a toy. All I have are these arms to enfold you

And a love time can never destroy

If you're wondering what I'm asking in return, dear, You'll be glad to know that my demands are small. Say it's me that you'll adore For now and ever more, That's all, that's all.
