

Blood Red Snow White

PENICILLIN

Dead body lies in the snow field
(She was coldly watching it)
She said that I'll have a cursed child
(And, the cursed legend started)
The child's skin was white as snow
(Dark hair was like the night sky)
Who's that person in the mirror?
It's me, where are my seven dwarves?

I'm a white goddess
I'm covered in blood
I'm a white goddess
I want your blood! Blood! Blood! Blood!

I'm a white goddess
I'm covered in blood
I'm a white goddess

I want your blood Blood! Blood! Blood!

No way! My blood relatives!
So what! I'll kill the nuisance!
I'm a crazy headbanger!
Bang! Bang! Bang! Bang! My head!
No way! My blood relatives!
So what! I'll kill the nuisance!
You're a crazy headbanger!
Blood! Bloody! Blood! Bloody!

No way! My blood relatives!
So what! I'll kill the nuisance!
I'm a crazy headbanger!
Bang! Bang! Bang! Bang! My head!
No way! My blood relatives!
So what! I'll kill the nuisance!
You're a crazy headbanger!
Blood! Bloody! Blood! Bloody!
Blood! Bloody! Snow White

(Snowy white skin... Dark hair like night sky...
Blood-red cheeks...)

Have you eaten the poison apple?
Mirror, mirror, on the wall
Whos the fairest of them all?

I'm a white goddess
I'm covered in blood

I'm a white goddess
I want your blood! Blood! Blood! Blood!

No way! My blood relatives!
So what! I'll kill the nuisance!
I'm a crazy headbanger!
Bang! Bang! Bang! Bang! My head!
No way! My blood relatives!
So what! I'll kill the nuisance!
You're a crazy headbanger!
Blood! Bloody! Blood! Bloody!
