

What Have I Done

Perkele

My intention, was to be someone good
And I tried, oh god what I tried
I'm not perfect, please forgive me for my sins
And I, I will try once again

What have I done, what did I do
Did I deserve all these punishments
What have I done, What did I do
Did I deserve all these scars

What have I done, what did I do
Did I deserve all these punishments
What have I done, What did I do
Did I deserve all these scars

I never meant to, to do any harm
So please help me, please tell me what I've done
Oh god, please give me one more chance
And I promise, I will try one more time

What have I done, what did I do
Did I deserve all these punishments
What have I done, What did I do
Did I deserve all these scars
What have I done, what did I do
Did I deserve all these punishments
What have I done, what did I do
Did I deserve all these scars
What have I done, what did I do
