

I Know

Perry Como

(I Know, I know, oh yes, I know!)

I know what it means
to be lost in the dark!
I know what it means
to be tossed by the storm!

I have walked alone
with a heart of stone
and despair too heavy for tears,
but you caught my heart
and you taught my heart
to forget it's doubts and fear!

And now that I know
the joy of your love
My head is high, I can face the sky
and know that heaven is here below,
I know . . .

For you I could die,
for you I will live,
I know!

(I Know, I know, I know!)
