If Wishes Were Kisses

Perry Como

If wishes were kisses, I'd still be kissing you I'd hold you in my arms again the way I used to do If wishes were kisses, how happy I would be I'd always have you close to me to thrill me through an' throug h If dreamers were schemers, I'd make my dream come true If wishes were kisses, I'd still be kissing you! If wishes were kisses, how happy I would be! I'd always have you close to me to thrill me through an' throug h

If dreamers were schemers, I'd make my dream come true If wishes were kisses, I'd still be kissing you
