

In Our Hide-Away

Perry Como

In our hide-away,
far from all the fuss that bothers us
we'll hide-away, we two!
In our hide-away (In our hide-away . . .)
we'll be all alone, no telephone to worry me or you!

We will have a ball,
busy doin' nothing at all!

In our hide-away (In our hide-away . . .)
we will lock the door an' throw away the key
What a holiday, our hide-away will be!

In our hide-away,
far from all the fuss that bothers us
we'll hide-away, we two!
In our hide-away, we'll be all alone,
no telephone to worry me or you!

We will have a ball,
busy doin' nothing at all!

In our hide-away (In our hide-away . . .)
we will lock the door an' throw away the key
What a holiday, our hide-away will be!

What a holiday,
our hide-away will be!
