In Our Hide-Away

Perry Como

In our hide-away, far from all the fuss that bothers us we'll hide-away, we two! In our hide-away (In our hide-away . . .) we'll be all alone, no telephone to worry me or you!

We will have a ball, busy doin' nothing at all!

In our hide-away (In our hide-away . . .) we will lock the door an' throw away the key What a holiday, our hide-away will be!
