

It's Impossible

Perry Como

It's impossible, tell the sun to leave the sky
It's just impossible
It's impossible, ask a baby not to cry
It's just impossible

Can I hold you closer to me
And not feel you going through me
Split the second hat I never think of you
Oh, how impossible

Can the ocean keep from rushing to the shore
It's just impossible
If I had you, could I ever want for more
It's just impossible

And tomorrow
Should you ask me for the world, somehow I'd get it
I would sell my very soul and not regret it
For to live without your love
It's just impossible

Can the ocean keep from rushing to the shore
It's just impossible
If I had you, could I ever want for more
It's just impossible

And tomorrow
Should you ask me for the world, somehow I'd get it
I would sell my very soul and not regret it
For to live without your love
It's just impossible
Impossible, mmm
Impossible
