

Seattle

Perry Como

The bluest sky you ever seen in Seattle
And the hills the greenest green in Seattle
Like a beautiful child growing up free and wild
Full of hopes and full of fears
Full of laughter full of tears
Full of dreams to last the years in Seattle, in Seattle

If you ever fall in love with a logger
There is something you will have to understand
For as much as he may care you will always
Have to share his love with his green mountain land

When it's time to leave your home and your loved ones
It's the hardest thing a girl can ever do
And you pray that you will find
Someone strong and good and kind
But you're not sure what's waiting there for you

When you find your own true love
You will know it
By his smile, by the look in his eye
Scent of pine trees in the air
Never knew a day so fair
It makes you feel so good
That you could cry
