

## Sunshine Wine

Perry Como

Sunshine wine, an' dandelion gold  
Your love is mine an' there's peace in my soul  
I own a castle in the air and everything's fine, fine , fine  
Life's beautiful, my cup is full of sunshine wine!

Sunshine wine, an' diamonds of dew  
Sweet dreams to find and a faith that'll come true  
Bird's golden songs, the silver dawn's, are yours an' they're mine, Oh yeah!  
Life's beautiful, my cup is full of sunshine wine! Sunshine wine!

In the eyes of the world, what I own may seem small  
In the eyes of my girl, I need nothing at all, nothing at all  
I've got sunshine wine (Sunshine wine!) an' dandelion gold (Dandelion gold!)  
True love is mine (True love is mine!) an' there's peace in my soul (Peace in my soul!)  
I own a castle in the air and everything's fine, fine , fine  
Life's beautiful, my cup is full of sunshine wine! (Sunshine wine!)

Life's beautiful, my cup is full of sunshine wine! Sunshine wine!  
Life's beautiful, my cup is full of sunshine wine! (Sunshine wine!)  
Life's beautiful, my cup is full . . .
