

# The Shadow of Your Smile

Perry Como

One day we walked along the sand  
One day in early spring...  
You held a piper in your hand  
To mend it's broken wing  
Now, I'll remember many a day  
An' many a lonely mile  
The echo of a piper's song  
An' the shadow of a smile!

The shadow of your smile  
When you are gone...  
Will color all my dreams  
And light the dawn...  
Look into my eyes, my love, and see  
All the lovely things you are... you are to me!

Our wistful little star  
Was far too high...  
A teardrop kissed your lips  
And so did I...  
Now, when I remember spring,  
All the joy that love can bring...  
I will be remembering,  
The shadow of your smile!

(instrumental)

Now, when I remember spring,  
All the joy that love can bring...  
I will be remembering,  
The shadow of your smile!
